Welcome to the Villas at Twelfth Avenue where your own vision of your dream home becomes a reality in a peaceful location. This new concept to Sudbury allows you to choose your own builder and then enjoy your property and the surroundings. The minimal building covenants ensure your investment while the neighbourhood as a whole is protected. Lot 1 is a unique lot right at the entry that is ideal for the downsizers looking to build that perfect slab on grade bungalow and having that ""lock and leave"" feel while you head South for the winters. The lot isn't restricted to that style as the lot will also work for other building models as well, including a two-storey with in-law suite for the multi-generational housing that some families are leaning towards these days. This development spot is the right place to build your dream, so don't hesitate to reach out to see how we can turn your dreams into reality! (id:6289)
