Vacant Land on 47.08 Acres

Gravenhurst, Gravenhurst, Ontario

Rare, once-in-a-lifetime land parcel. Nestled beside the Muskoka Airport, surrounded by Crown land, and stewarded for decades by the same family, this 47-acre industrial parcel is more than a land-holding. It is a canvas for visionaries and a chapter waiting to be written by its next caretaker. The Property is located directly across from Muskoka Airport - an international airport and Canada Customs Port of Entry. The side of the property facing Gravenhurst Parkway is directly opposite the airport's runway. Key features include: 6,000-foot runway capable of accommodating large jets such as the Globemaster; passenger and freight charter services available; situated on the 45th parallel. Direct access to Highway 11, providing a seamless route south to Toronto's Canada's largest metropolitan area with a population of nearly 6.5 million - just a two-hour drive from Muskoka Airport. Direct access to Petro-Canada fuel station located at the Highway 11 entry point, enhancing the site's appeal for logistics, travel, and industrial operations. The site borders other notable properties, including Transport Canada land, Town of Gravenhurst land, and Skyways Motel. Environmentally approved. The property contains a cluster of wells sufficient to support a subdivision plus two deep wells. The 280 ft deep well - natural spring water - flow rate of over 30 gpm. Purchase of the property would include sale of privately held subsurface mineral rights - this is exceptional as mineral rights are typically held

by the Crown. Freehold - uncommon - industrial land this close to an international airport in North America is usually just leasehold. (id:6289)
