Not Your Typical Mobile Home – A Designer’s Dream in a 50+ Community! Located in the picturesque Southside community. Step into a home that redefines mobile living. Built in 2023 and barely lived in, this stunning residence sits on a fully insulated concrete pad with a double-wide concrete driveway and has an expansive concrete patio that wraps around the side – perfect for multiple outdoor sitting areas, entertaining, or simply soaking up the sun. The enclosed front porch is a showstopper, featuring 8' sliding glass doors, composite flooring, and cedar walls. Use it as a serene workout space, reading nook, or easily remove the sliders to expand your living room. This is not your average mobile home kitchen. Enjoy a gas stove, built-in microwave, dishwasher, and a full-sized refrigerator. There's a second set of sliders opening to a concrete patio and BBQ area – ideal for hosting or relaxing with a view. The kitchen island offers generous storage and seating for two. The primary bedroom comes fully furnished with a Queen-sized bed, side tables, and a custom closet system that maximizes space and style. A well-lit 3-piece bathroom offers comfort and convenience, while the separate, good-sized laundry room adds practicality to everyday living. Outside you'll find an 8' x 8' powered shed with its own fuse box – perfect for a workshop, studio, or –œhe/she shed–.

Outside you'll find an additional garden shed for tools and storage. Concrete stone skirting adds both beauty and structural integrity—no flimsy aluminum here! Equipped with central AC and a forced air gas (FAG) heating system, this home is designed for worry-free living in every season. Thoughtfully enhanced with extra windows, premium finishes, and an open concept layout that feels more like a custom-built bungalow than a mobile home. It's truly one of the finest homes in the park.
