Paris semi. Duplexed from original build. Offers two 2+2 units front and back with 2 baths in each unit. Front unit is currently vacant and has been updated with new ceramic tile floors and hardwood. Freshly painted but finishing needs to be completed before it can be occupied. Bathrooms need done and some other minor work. Second unit 40A is occupied by tenant for past five years. Good tenant. This unit is located at the back overlooking large pond. Beautiful yard and view. Quiet north end location. Each unit is the same layout with L shaped living and dining rooms, 4pc bath, two bedrooms up, recreation room, 2 bedrooms and 3pc bath bath down. Great income property as very little available for rent in this lovely small town or great opportunity for a family to live in and have income to help pay the costs. Separate heat and hydro.
