Banbury-Don Mills, Toronto (banbury-Don Mills), Ontario

Inspired by the precision and versatility of a Swiss Army knife, this internationally award-winning, architecturally significant residence offers over 6,000 sq.ft. of luxury living on a private, forested ravine cul-de-sac. Designed with dynamic multi-level functionality, its dual wings are connected by a sleek glass bridge and clad in a striking blend of reflective titanium, simulated walnut, and rich black Palisade panels. A descending entrance introduces the main living area where a panoramic fireplace anchors open-concept spaces extending to the outdoors through a dramatic, folding glass hangar door. Every detail is engineered for seamless living and entertaining from the indoor/outdoor dining areas, hidden wine closet, and wet bar to the amenity-rich lower level featuring a full kitchen, gym, and theatre. The primary suite is a true retreat with his-and-hers closets, a spa-inspired ensuite, and a private balcony overlooking the ravine. Outside, a tiered infinity pool, integrated outdoor kitchen, and fire table are enveloped by nature, creating a breathtaking, resort-like oasis. (id:6289)
