Prime Waterfront Development Opportunity
Wasaga Beach Located at the main end of Wasaga Beach, this premier site offers stunning waterfront views just steps from the worlds longest freshwater beach. Approved by Wasaga Beach Town Council under the Downtown Development Master Plan (DDMP), this project represents a once-in-a-generation opportunity to shape the future of Ontario's most popular summer destination. Ideally positioned within a 30-minute drive to Barrie and just 20 minutes to Collingwood/Blue Mountain, the site is surrounded by modern residential growth, a newly built casino, a future Costco, and all essential living facilities. The DDMP envisions year-round hotels, shops, restaurants, cafÃ©s, and attractions that will revitalize Beach Drive at Beach Area 1. This redevelopment will make the beachfront more climate-resilient, while transforming Wasaga Beach into a vibrant, four-season destination. (id:6289)
