Iron Bridge, Iron Bridge, Ontario

Exclusive 320-Acre Private Riverfront Estate and Northern Retreat on the Mississagi River for the Discerning Outdoorsman or Visionary Builder. One of Ontario's most extraordinary private holdings - this unspoiled wilderness estate includes both sides of the river and over a mile of secluded gated private driveway leading to a handcrafted log lodge rich with heritage and rustic elegance. For the individual who values privacy, tradition, and the essential things in life - solitude, wilderness, water, outdoor recreation, and heritage, this is not just property. It is a sanctuary. Ideal as a private family retreat, exclusive hunting and fishing lodge, or future estate residence, the possibilities here are as vast as the land itself. At the heart of the property sits a historic hand-hewn log cabin, lovingly preserved with its original stone fireplace, wood cookstove, sloping floors, and handcrafted details. Generations of outdoor adventure are etched into this property with hand-carved tallies, names, and a timeworn fishing map that whispers stories of days spent hunting, fishing, and gathering fireside. Surrounded by towering timbers of hardwoods and evergreens, meadows, and the river's rushing power, the land is rich with wildlife and ready for exploration. Whether fly fishing off your own shore, boating a winding stretch of the river, or walking forest trails in total privacy, this is a place to disconnect from the modern world and reconnect with what matters. For those who seek land not merely for what it

holds, but for what it preserves - solitude, tradition, and timeless connection - this is a rare offering in the Canadian wilderness with convenient access by plane, vehicle, or helicopter. (id:6289)
