Kenora, Kenora, Ontario

Pioneer Log Homes of BC says it all. Their craftsmanship is renowned. This magnificent log creation was built in 2015 having 8,184 sq ft of living space over two levels that have 4+ bedrooms and four baths. Upon entering the great room you are greeted with Quartz tile flooring and stunning logs that show off the high cathedral ceilings with windows having lake vistas and a beautiful stone wood burning fireplace. The gourmet kitchen is fantastic with granite countertops and deluxe appliances. The kitchen and dining areas are great for entertaining, especially at the second granite bar countertop. The walkout lower level still needs some finishing, but a media/theatre room, sauna, wine room and outdoor kitchen area are proposed. A triple car garage is attached via a breezeway to the house. 76 Darlington Trail offers exceptional privacy with 11.83 acres of land and 825 feet of shoreline. Looking for a stunning waterfront retreat? Look no more! (id:6289)
