Vacant Land on 160.00 Acres

FLEMING, UNORGANIZED, Fleming,
Unorganized, Ontario

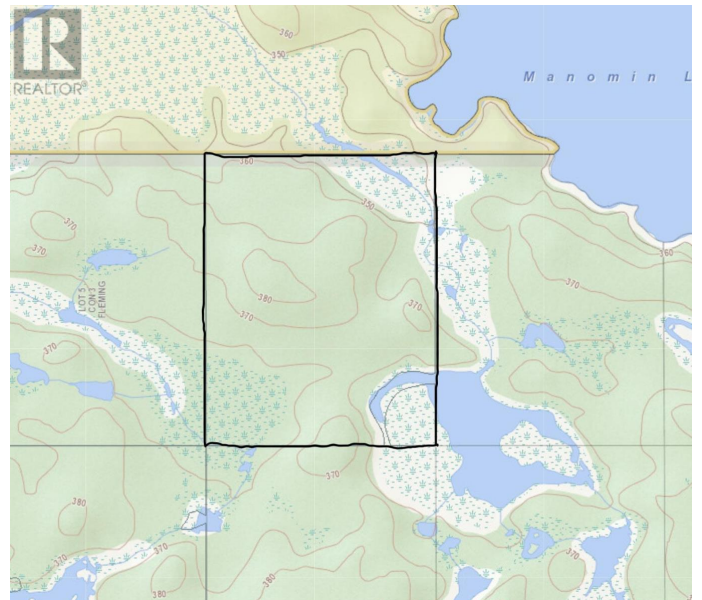

155 Acres Unorganized land with 1000's and 1000's of acres of Crown land surrounding it and gravel pits located everywhere in the area! In my opinion this parcel is a hunting/play area and not a building site for living 4 seasons due to its seasonal access. Located approx. 24 kms North of Devlin, ON off of Hwy 613 and approx. 8 kms down a logging/gravel supply road which in winter time is not plowed by the municipality. Build your hunting camp/getaway place and make a trail across the crown land to Manomin Lake which by it's location would be pretty much yours to explore and fish!!! I've never been to the property so please go at your own risk using GPS coordinates. Property was logged a few years before 2006. Could be your own private sanctuary so get it while you can!!!!
