ClearBlu Water Solutions Inc., is a highly reputable and established turnkey water treatment business serving the GTA for over 12 years. The company holds an exclusive subcontract with a major industry brand, providing consistent, year-round installation and service to a loyal client base of over 500 residential and commercial customers. ClearBlu specializes in top-tier systems such as Kinetico and Clack, with work performed by a mix of in-house technicians and subcontracted professionals, offering both scalability and operational flexibility. The sale also includes a retail e-commerce platform catering to trade professionals at wholesale pricing- currently underutilized and primed for growth, as well as, \$25,000 worth of stock. With a strong foundation, proven revenue, and significant potential for expansion into new markets and online sales, this is a rare opportunity for industry professionals, investors, or companies looking to grow within the water treatment sector.
