1011 - MO Morrison, Oakville (mo Morrison),
Ontario

Welcome to 392 Maple Grove Drive, where modern architecture + intentional design blend bold layers + elevated finishes to create a home that is as thoughtfully imagined as it is beautifully executed. Where natural light moves through rooms like it was meant to. And where every finish, every texture, every detail has been chosen not just to impress but to feel right. With 7,390 total square feet, 5 bedrooms + 6 bathrooms, this fully furnished masterpiece is the result of a powerhouse creative trio: architect Richard Wengle, builder PCM Now + interior design by Brian Gluckstein. The exterior is quietly striking Belgian-inspired brick + elongated stone in soft, tonal shades, anchored by a private courtyard that opens to an elegant inground pool. Inside, the tone is set by soaring ceilings, expansive glazing, soft sand-coloured stone finishes + a curved sculptural plaster staircase as the focal point. The main floor unfolds in a series of moments: the colour-drenched dining room in deep rust, casual + bold. The soaring living room with double-height corner windows + a slatted oak wall above a two-sided fireplace. The chefs kitchen is sleek but grounded; concealed appliances, stone surfaces + a sculptural muted green island with fluted detailing. It opens to a relaxed breakfast area + family room, where herringbone white oak floors, expansive

glazing + an indoor-outdoor fireplace invite connection + calm. Upstairs, the primary suite is tucked into its own wing with soft blue tones, a boutique-style dressing room + spa-like ensuite. Additional bedrooms are distinct + personal, each with curated finishes. The lower level features a full guest suite, recreation room, gym + secondary laundry with dog wash practical, elevated + beautifully done. A home so fine-tuned, it creates presence. Desirable school district, close to shopping + commuter routes. (id:6289)
