1049 - Rural Halton Hills, Halton Hills (rural Halton Hills), Ontario

Designed by renowned architect David Small, located in the coveted Black Creek Estates neighbourhood, this Limehouse model welcomes you with manicured grounds and no neighbours behind. The attached 3-car garage and additional detached 1-car garage ensure ample room for vehicles and storage. Inside, 10' ceilings on the main level and 9' ceilings on the upper and lower levels create an airy elegance, while premium finishes - hardwood flooring, stone countertops, and tall baseboards - reflect the attention to detail. Step through the foyer and find a convenient main floor study and a formal dining room with a servery passthrough to the chef's kitchen. Culinary dreams come alive here with Wolf appliances and custom cabinetry featuring thoughtfully designed storage. The open-concept layout flows through the breakfast area and the great room just beyond, where an impressive stone-surrounded gas fireplace is the perfect backdrop for making memories. Walk through double glass doors to an entertainer's dream: a sprawling backyard pavilion. This outdoor haven boasts a sitting area with a cozy wood-burning fireplace, a dining area, and an outdoor kitchen with a built-in Napoleon BBQ, all set against the serene surroundings of wide-open fields. Upstairs, four spacious bedrooms each offer the luxury of walk-in

closets and ensuite baths, ensuring everyone has their own private retreat. The unfinished basement, with its roughed-in 3-piece bath, provides endless opportunities to expand and customize, whether an entertainment area or an in-law suite. The expansive lot also offers plenty of space for the addition of a pool, tennis or basketball court, vegetable or flower gardens, or a secondary dwelling. With 2.2 acres at your disposal, the only limit is your imagination! Set in an idyllic setting - just outside of town but still within reach of daily necessities - a home of this calibre is more than just a place to live; it's where your family's story unfolds.
