What is country living? Here's some of the most popular definitions. Country living is typically casual and cozy. It can be rural areas, or a style of home and out buildings. It can be self-sufficiency, gardening of all types (and maybe some chickens:) it can mean having room for your whole family, big, or small. It's safe to say that there's nothing mentioned here that you can't achieve right on Graham road, your starting off with a clean slate.

Experience privacy and freedom while still being located within a short drive to nearby towns and amenities. This is your opportunity to own a slice of natural beauty. You're under 25 minutes to any shopping you require and 11 minutes to a famous pub. The lot is so new that legal address and taxes haven't been set yet. Please do not walk on the property on your own. Buyer to do their own diligence with their planning process, please note the buildable area on the lots, picture and survey in photos.
