Rural Central Elgin, Central Elgin, Ontario

Ever dreamed of stepping out your front door and sinking your toes directly into the sand? Welcome to Newport Beach, a Hal Sorrenti designed complex like none other on any Great Lake. This 3-bedroom, 2-bath townhouse condo is perched right on Port Stanley's stunning blue flag awarded Main Beach. The open-concept layout, vaulted ceilings, and oversized windows flood the space with light, giving the whole place a calm, beachy vibe. Recent upgrades mean you can kick back and enjoy without a to-do list. A cozy gas fireplace (installed in 2023) makes it the perfect spot for chilly evenings with a glass of wine and a blanket. Both bathrooms have been refreshed, new bedroom windows frame tranquil lake views, and a massive double-panel upper window puts the shimmering blue of Lake Erie front and center. The 4-season sunroom with two full walls of windows lets you soak in the view year-round. Want to BBQ with a breeze? Step out onto the side deck and fire it up. Short-term rentals like Airbnb aren't allowed here, so you won't have to worry about strangers turning up in beach floaties next door every weekend. Whether you're looking for a full-time home, a vacation escape, or the ultimate beachy retreat, this place ticks all the boxes. Book a tour before it disappears like an open umbrella on a gusty day.
