Vacant Land on 0.00 Acres

Strong, Strong, Ontario

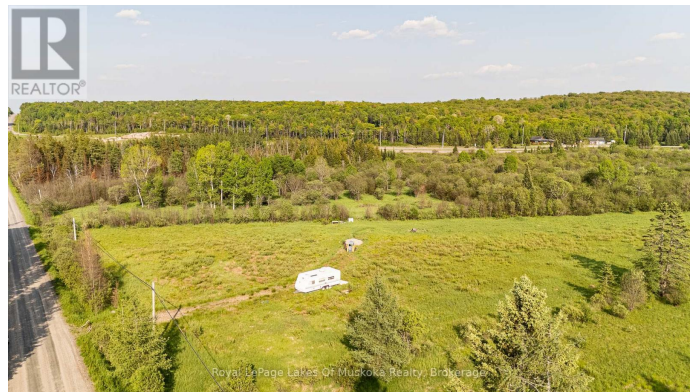

This 28-acre parcel on Brookside Rd has a lot going for it - plenty of road frontage, a driveway already in, and a potential building envelope that makes getting started easier. There's a small stream that cuts through the land, adding a nice bit of character and natural appeal. Zoning allows for a wide mix of uses, whether you're planning to build a home, start a hobby farm, run a small business from the property, or just keep it for recreational use. Permitted uses include a home or recreational dwelling, farm, conservation, home occupation or industry, farm sales, resource management, a vet hospital, or even boarding stables or a riding school. There may also be potential for a future severance, depending on how the lot is developed and local approvals. It's a versatile property with room for both ideas and long-term plans to take shape.
