Picton Ward, Prince Edward County (picton Ward), Ontario

FOR SALE OR LEASE! A remarkable commercial opportunity! The former BMO building, built in 1993 (with brick meant to embody the traditional "sandbanks brick" of historic Prince Edward County) is zoned core commercial and lends itself to a variety of commercial and combined commercial/residential uses. The building itself is situated within walking distance of everything Picton Main Street has to offer, with street access and street parking on both Main and Walton Streets. The lot itself has plenty of private parking and excellent visuals from Main Street for signage. The current main level layout is offices, teller spaces, open atrium, vault and utility rooms. The stairs or elevator lead to the second level, which is an atrium-style open design that houses offices, kitchenette and dining space, and 2 multi-stall washrooms. With renovation, the building would lend itself well to a mixed use of residential apartments and main floor commercial/retail space, restaurant, or perhaps a micro-hotel? No further restrictive covenants on this property. (id:6289)
