(lennox And Addington - South), Ontario

8.1 acres to build your dream home along the well known millhaven creek! Purchased in 1965 this picturesque property was always enjoyed by the long time owner for his own personal use. There is a small bunky and shed on the property to be left in an AS IS condition. Millhaven creek, flows along the outer limits of this property and at the western end, there is almost 1 acre of land on the other side of the creek as well. If your looking for a location that is only 15 minutes to kingston and about the same to Napanee, you will want to view this lovely water front property ! Some interesting trivia, this is the original site of the Asselstine Woolen Mill, so this property is deep in history! Asselstine's Woolen mill stood on this property until it was moved to Upper Canada Village in 1957, there its 19th century equipment still operates. From 1841 until 1927, the Asselstines processed local wool, spun and dyed yarn and wove cloth and carpets. Although the buildings are long gone, rendering this property vacant land, with no historical designation, a monument at the western end of the property still stands at the side of the road, telling the history of this property ! Its lovely ! Future building site has been established , but will be subject to a building permit application and approval by the township. (id:6289)
