Welcome to Saddlebrook Estates, where modern sophistication meets rural tranquility in this awardwinning, Brian Saumure-designed and Maple Leaf Custom Homesbuilt residence (2014). Nestled on a private, treed 3.33acre lot backing onto 500+ acres of Crown land with resident maintained hiking, snowshoeing, and cross country ski trails and guaranteed unobstructed views this reverse concept home offers 2,775sqft of refined living space (1,650sqft main level; 1,125sqft lower level) plus a 175sqft, three walled covered outdoor entertaining area. Inside, radiant in-floor heating warms the lower level with an architectural steel and glass staircase leading to soaring sloped ceilings on the upper level, and abundant interior and exterior lighting creates an open, airy ambiance. The great room, anchored by a Napoleon fireplace with built-in speakers, flows seamlessly into a chef's kitchen featuring Elite appliances, a walk-in pantry, electronic pushbutton cupboards, a dining area, and a powder room roughed in for a future bath or shower. Upstairs, the primary suite boasts a dressing area and spa-style ensuite, and the bright office opens to a private balcony and upper level yard walkout. The lower level includes a media room, three additional bedrooms, a full bath, mudroom, storage/gym area, mechanical room, and direct access to the full two car garage. Built for style and durability, the exterior combines cedar accents with concrete

board siding and metal cladding. Mechanical systems include a 2019 furnace, water conditioner, on-demand boiler, 200amp electrical service, and a 500gal propane tank, with average hydro costs of \$140/month. Tucked at the end of a quiet cul-de-sac just minutes to Carp Village and central Kanata, this is a rare opportunity to enjoy upscale, efficient living surrounded by nature. (id:6289)
