FALL/SKI SEASONAL RENTAL Available for the very first time, this family-owned year-round chalet offers the rare opportunity to enjoy a seasonal lease in the heart of Blue Mountain. Built in 1976 and lovingly maintained, the property showcases timeless craftsmanship with warm pine finishes, soaring cathedral ceilings, and expansive windows that frame spectacular views of the water and beach below. Thoughtfully designed with a reverse floor plan, the chalet's main level features three spacious bedrooms. The primary suite is a true retreat, complete with a king bed, built-in cabinetry and bookshelves, and walls of glass overlooking the lake. A private ensuite bath completes this inviting space. Two additional bedrooms one offering a queen bed and its own vintage sink, and another with two twin beds and direct water view share a four-piece bathroom highlighted by a classic 1970s sunken tub. The main floor also features a built-in cedar sauna, offering the perfect place to warm up and unwind after a day on the slopes. A welcoming foyer, large closet, and convenient mudroom with side entrance provide ample storage for skis and winter gear. Upstairs, the home opens to an expansive family room with cathedral ceilings, wood beams, skylights, and a striking stone fireplace (decorative only) that creates a cozy ambiance on snowy evenings. The adjoining dining area offers warmth and charm, while the kitchen blends modern function with vintage character, showcasing stainless steel

appliances, original decorative tiles, and direct access to the generous waterside deck. Perfect for entertaining, the deck features a gas BBQ and sweeping views, allowing families to gather and relax while enjoying the natural beauty of the Blue Mountain area. Ideally situated, this retreat is just minutes to Craigleith Ski Club (approx. 6 minutes), Alpine Ski Club (approx. 7 min), and Blue Mountain Village and ski slopes (approx. 10 min), making it the perfect base for an active seasonal lifestyle.
