4-Season Cottage Oasis on Beautiful South Bay of Chandos Lake. Year round access to this lake side property makes it perfect for those that enjoy all of the seasons. The Open Concept style is perfect for having larger gatherings or just just enjoying the warmth of the wood stove. But it is the breathtaking views through the floor to ceiling windows that will keep you coming back. The large sliders can basically bring the outside of the cottage in. There is a large deck space to enjoy lunch or dinner and great southern exposure. 152 Feet of shoreline gives lots of opportunity for boating and docking. And for the sun seekers, the waterside deck area is perfect for working on that time while watching the loons fish out front. Chandos Lake is an exceptional boating lake with many Km's of shoreline to explore, also perfect for those into paddle sports. Chandos also has three marinas on the lake. There has been lots of updates in the past two years including almost all new windows, new patio sliding door and exterior doors, new flooring, new steel roof, heat line for winter water and heated septic pump line, spray foam insulation under cottage. There really is nothing to do here but move in and start enjoying your new vacation property. (id:6289)
