Welcome to 780 D Chapman Mills Drive, where style, light, and location come together. This upgraded 2-bedroom plus large den upper corner unit isn't just another Barrhaven condo - it's brighter, larger, and more private than most. The southwest-facing orientation floods the entire home with sunlight from morning to evening, giving every space a warm, open feel. Inside, everything feels fresh and elevated. Enjoy brand-new luxury vinyl flooring throughout, fresh paint (2025), and a completely updated kitchen with new countertops, never-used stainless steel stove and hood fan, and abundant cabinetry. The open-concept main level offers generous living and dining space with room to spare for a reading nook or lounge area. Upstairs, you'll find two full-size bedrooms, a spacious den perfect for an office or studio, and a 4-piece bathroom plus linen storage. The primary bedroom features a walk-in closet and direct access to a private balcony - perfect for enjoying sunset views in peace. What really sets this home apart is convenience and comfort: in-unit laundry, a main floor powder room, and heated underground parking located steps from your door - arguably the most convenient parking spot in the entire complex. Located in a quiet corner for maximum privacy, yet just a short walk to Chapman Mills Marketplace, grocery stores, parks, and top-rated schools (St. Joseph, Pierre-de-Blois, and more). Everything you

need from Costco to restaurants to transit is within minutes. Whether you're buying your first home or looking for a smart investment, this one truly checks all the boxes: bright, upgraded, private, and perfectly located.
