4 Bedroom, 2.00 Bathroom,
Single Family on 0.00 Acres

Central, North Bay (central), Ontario

Fantastic opportunity for home ownership. This 3 plus 1 bedroom brick home has had many updates over the years. There are 3 bedrooms on the main floor as well as a nice living/dining room combo and a 4 piece bathroom. The basement was used in the past as a rental unit and is still set up that way. The current owner has not rented it out as an apartment. The lower level has a great set up to owner occupy as a granny suite. The separate living area has a kitchen/living room combo, a bedroom and a den or office (no window) as well as a 3 piece bathroom. The lower level can easily be set to allow shared laundry or it can be set up as only for the owner. This centrally located home will be a great starter or potentially a good income property.
